Drop off TIPP cheques

Tax Installment Payment Plan) for 2019 at the Town Office before Jan 15. To be eligible for TIPP's your tax

account balance must be zero and payments must start in January of the current taxation year. Your monthly payment is calculated by dividing your annual property tax by 12. Typically people make six payments from January to June based on the previous year's notice. When you receive your current year notice it will show a credit amount that is equal to the payments made to date and the balance remaining, you can then adjust your July to December (six) payments to an amount that will equal a zero balance by year end (December 31) and no late penalties will be applied to your account. Please call the Office if you require more information 403-442-3085.
