A New Chapter for Trochu

Jamie Collins has stepped into the role of
Chief Administrative Officer following the re-
tirement of Carl Peterson, who leaves behind
an incredible legacy and big shoes to fill.
Jamie is grateful for Carl's years of mentorship
and the trust Council has placed in her to lead
the organization forward.

June 1 marked 16 years of working with the
Town of Trochu. Over that time, Jamie com-
pleted Level One and Two of the National Ad-
vanced Certificate in Local Authority Admin-
istration through the University of Alberta,
earning the certificate with distinction, and
achieved her Certified Local Government
Manager designation in May 2022.

Jamie has always loved working with the
Town team and serving the residents of Tro-
chu. She believes the community's greatest
strength is its people and is excited for this
new challenge, ready to give her very best for
the Town and its future.

The Town of Trochu is committed to ser-
vicing the new Trochu Seniors Housing
complex. Water, sanitary sewer, and
storm sewer mainlines will be installed
to the edge of Trochu Housing Corpora-
tion lot. A street (Doctors Way) and
sidewalk will be built to connect with
the town. As well as digging a storm
pond to handle extra run-off when
storms occur.

With the approval of the amendment to
the North West Area Structure Plan, the
Town is also servicing 26 new residential
lots for future expansion. Ground work
has begun and is scheduled to be com-
pleted late summer 2026.

Sewer flushing will be done in October.
This occurs annually to clear any possi-
